

Energy Future Task Force
November 18, 2016
10 to 11:30 am
141 Keyes Road, 1st floor
Concord, MA

Agenda

1. Approval of minutes (as available)
2. Correspondence
3. Chair's report
4. Resources: administrative support, volunteers, interns
5. Task force working group work plan updates (as needed)
 - Stakeholders up-date (Wally Johnston)
 - Energy and emissions (Brian Foulds)
 - Other cities and towns/best practices (Elise Woodward)
 - Government documents (Pam Hill)
 - CMLP (Dan Gainsboro)
6. Discussion of EFTF recommendations re framework/structure/new position to support energy and emissions goals
7. Discussion of Final Report outline
8. Public comments, emails to EFTF: plans for organizing and using these
9. Reflections on public meeting and next steps considering, for example, the following topics from the public meeting:
 1. Community engagement and the fact that a very small % of Concord residents have weighed in
 2. Education (related to #1)
 3. Timelines
 4. Incremental steps (related to timelines)
 5. Net zero
 6. Fleshing out leadership. Our relationship to top municipalities nationwide and other markers
 7. Town processes, by-laws: how to include energy/emissions goals in what various departments, etc. do; maybe recommend rewriting them

8. Children
9. How to address disruption/breaking things
10. Integration of town governmental activities as appropriate to advance energy/emissions goals
11. Other sectors
12. The built environment
13. Opportunities to prevent more bad habits from settling in
14. Providing guidelines, guiding principles for citizens and town government to employ
15. Addressing funding needs, expertise required
16. What the Paris goal means for Concord

9. Review of Task Force Charge (if time permits)

10. Citizen comments

Reminder: When Energy Future Task Force members anticipate being absent from a meeting, please notify Chair Pam Hill at pahill3@gmail.com.
