TOWN OF CONCORD

TOWN HOUSE - P.O. BOX 535
CONCORD, MASSACHUSETTS 01742

OLD NORTH BRIDGE

April 2016

Dear Resident,

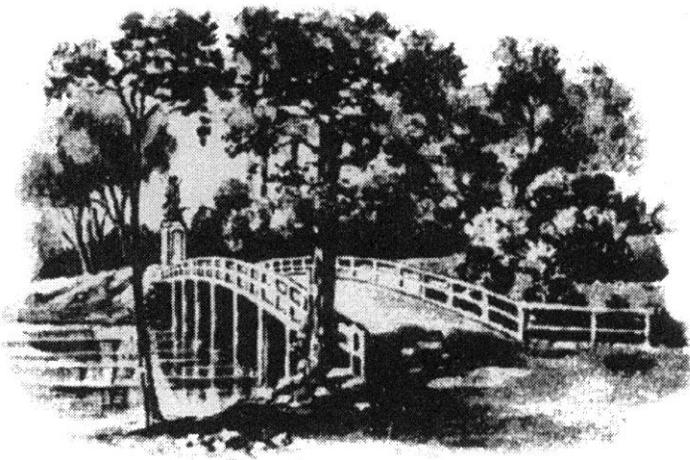

Concord is a robust community filled with excellent public resources for its residents to grow and thrive. I feel fortunate to live and work in a community steeped with history and tradition that offers a wide variety of cultural and recreational opportunities, strong schools, excellent public safety and caring, committed neighbors.

The Town of Concord is home to many support services and opportunities for our youth, families and residents. This Social Services Resource Guide identifies and describes the wealth of organizations serving our community that provide services to residents. While this guide is designed to reach out to any resident; Concord also offers a wide range of specific services targeted to our senior population. For those with specific senior related questions the knowledgeable and caring staff at the Council on Aging can be reached at 978.318.3020.

I hope you will take some time to look through this guide and contact any of the agencies and/or departments that may be of assistance to you and your family. I thank the departments of Community Services and Youth Services along with the Concord-Carlisle Community Chest and Concord Rotary Club for producing this important resource. Together we can help Concord live up to its full potential and create a place where our residents can flourish.

Sincerely,

Christopher Whelan

Dear Concord Residents,

Welcome to the Concord Community Social Services Resource Guide. Concord's Youth Services and Community Services departments have revised and updated this booklet to help residents with basic information and general questions about local resources.

Youth Services and Community Services' role is to foster a healthy community and improve the quality of life for Concord residents. We work to identify and address the social, emotional, and financial needs of youth, adults, and families in Concord through programs and services that support and nurture.

This guide includes the not-for-profits or local resources we refer to most frequently. If we omitted a reference crucial to you, please notify us by giving us a call at 978.318.3034. We also encourage residents to contact us if we can be of any assistance to you or your family. We are here to be a resource and provide support.

Sincerely,

Aileen Buford, MSW

The Concord-Carlisle Community Chest

The Concord-Carlisle Community Chest was founded in 1947 as an organization of neighbors helping neighbors. The founders were a group of local residents who had a strong belief that raising and distributing funds to help their neighbors in need was 'just the right thing to do.' And 67 years later, thanks to the generous support of individuals, organizations and corporations from the community, the Chest is able to continue that commitment.

The Community Chest, whose mission is "to strengthen our community, marshaling resources to help neighbors in need," ces to help neighbors in need," provides support through its Annual Campaign, 'When in Need' Fund, Scholarship Funds, Community Impact Fund and Cornerstone Fund.

You can reach the Chest at 978-369-5250 or info@ccccommunitychest.org
